

TWO-STEP TUBERCULOSIS TEST

All students in health programs are required to be screened for tuberculosis. You may elect to have this done by your personal physician, the county health nurse, or done at LATC after classes begin this fall. Keep in mind the test is valid only for one year and will be needed when you go on clinicals.

Please feel free to contact our admissions office at 605-882-5284 ext. 290 if you have any questions. We look forward to seeing you this fall!
